Government Budget Funding for Camps and Excursions!

Camps, Sport & Excursion Fund (CSEF)

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camp, Sports and Excursion Fund will ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. School **camp**s provide children with inspiring experiences in the great outdoors, **excursions** encourage a deeper understanding of how the world works and **sports** teach teamwork, discipline and leadership. All are part of a healthy curriculum. CSEF will be provided by the Victorian Government to assist eligible families to cover costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. The allowance will be paid to the school to use towards expenses relating to camps, excursions, or sporting activities for the benefit of your child.

The annual CSEF amount per student will be: \$125 for primary school students, \$225 for secondary school students.

How to Apply: Contact the school office to obtain a CSEF application form [Form in today's Linkletter] or download from www.education.vic.gov.au/csef

Closing Date: You should lodge a CSEF application form at the school by **26th June 2015**.

* If you are eligible and have not already filled in an application form, please do so as soon as possible*

STATE SOCCER SELECTIONS

Wodonga West is very proud of both Steven and Leopold Fidele, who are representing our school at the State Soccer Selections in Melbourne on Tuesday 16th June. It is a huge achievement to be eligible to try out with other boys who are the best in the state and I know they will be very good ambassadors for our school. This is the first trial where a much smaller selection squad will be named to attend a further trial on Monday 22nd June. We wish them all the best.
